

A.L.I.C.E.

In case of an active shooter or any other emergency where people can be hurt!

- * **Alert – Alert 911**, the front desk, a parent; do this quickly! It is ok to put the phone on speaker and keep the person on the phone.
- * **Lockdown** – If the emergency is close, get behind a locked door; barricade the door with whatever you can; secure the door as much as possible
- * **Inform** – Keep 911, parent, school informed of what you actually know is happening
- * **Counter** – throw whatever you can in the direction of the intruder
- * **Evacuate** - When you know it is safe, evacuate the building to the “Safe Zone/Meeting Place”; do not stop to grab your belongings or wait for friends just run as fast as you can!
